**Making Payments:** Local bank transfer/ QR code payment is preferred. However, G2K also accepts cash, Visa and Mastercard credit/ debit cards (2% surcharge applies), WING, or international transfer/ Western Union if overseas.

**Deposits:** Our classes can fill up early. To secure a place we require a non-refundable deposit of \$100 per person, payable in advance. Students may pay their remaining fees at the same time, but all fees should be paid by the end of week 1 of classes at the latest.

**Why are Full-time, Part-time, and Evening different prices?** Each course includes the same high-quality teaching and materials, but Part-time and Evening include less classroom time for practice, review, and activities so that we can meet the needs of busy student schedules.

**What is included?** G2K fees are fully inclusive and already include \$25 towards administration costs. Your teaching, assessments, in-person class materials, online resources, and in-class trips & activities (where applicable) are also included. Any additional costs for cultural/ social events will be clearly advertised.

**Discounts:** A 5% discount is available for each family member when making payment at the same time (Levels 1-10 only). Family discount cannot be applied with any other discount. Discounts are subject to change. Please ask for further details and terms.

**VAT (Sales tax):** At the time of writing, education fees are exempt from VAT. In the event of changes to this approach, VAT will be added in compliance with guidelines set by the Cambodian Government.
